# *A Touch of Magic*

As well as offering delightful spaces for the ceremony, wedding breakfast and reception, we have wonderful outside settings for your wedding photographs – the glamorous backdrop of the Pavilion, the glorious views of the Ground, the romantic Harris Garden, or even within the England Dressing Room itself.

We can also add a host of special touches – your own personal message on the Lord's scoreboards, or a tour of the Ground for you and your guests, including a visit to the MCC Museum to see the world-famous Ashes Urn.

Whatever your catering requirements, we promise delicious and beautifully presented cuisine. We use the freshest, seasonal ingredients, sourced from suppliers we know and trust.

Lord's can also help with booking musicians, bands and DJs, as well as help with designing lighting arrangements or digital displays.

Lord's is located in leafy St John's Wood in central London, so it is easy to reach and there are plenty of leading hotels nearby. But it's also secluded and tranquil – your own private green space in the heart of the city.
