SAFEGUARDING POLICY

Marylebone Cricket Club Foundation (“the Foundation”) is committed to creating and maintaining the safest possible environment for children and vulnerable adults to enjoy the experience of playing cricket through initiatives organised by the Foundation.

The Foundation has a legal duty to ensure that children and adults at risk with whom it engages, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have a right to equal protection from all types of harm or abuse. This is an obligation which the Foundation takes very seriously. The Foundation has formally adopted the ECB’s policy for safeguarding children in cricket: Safe Hands.

In all its dealings with children and vulnerable adults at risk, the Foundation will ensure that:

a) the welfare of the child or vulnerable adults at risk is paramount;

b) all concerns, suspicions and allegations of abuse and poor practice are taken seriously and responded to swiftly and appropriately; and

c) that it has a system for dealing with concerns about possible abuse.

This policy applies to all trustees, employees, cricket coaches and volunteers involved with the Foundation.

Safeguarding concerns should be sent to the Foundation’s Safeguarding Officer and Trustee, Paul Bedford (paul.bedford@ecb.co.uk / 07825844248). In the absence of the Safeguarding Officer, please contact the Foundation’s Chairman, Phillip Hodson (phillip.hodson@outlook.com / 07979 537098).

HOW TO REPORT A CONCERN

ii. Keep questions to a minimum, and never ask leading questions;
iii. If a criminal act is alleged, the police should be informed without delay. Where a child may be at risk of immediate physical harm, police or Social Services should be informed without delay.
iv. Inform the person reporting the concern that you must report your conversation to the Foundation’s Safeguarding Officer, or in their absence, the Foundation’s Chairman.
v. Make an immediate and objective written record of the conversation ensuring that a distinction is made between what the person has actually said and inferences you may have made. Wherever possible, include as many details as possible, including the name of the child or the adult at risk, their contact details, and age or date of birth.
If employees, trustees, cricket coaches or volunteers witnesses an incident which causes them to be concerned for the well-being of a child or vulnerable adult at risk, they must:

i. Ensure the immediate safety and wellbeing of the individual; seek medical attention for the individual if necessary;

WHISTLE BLOWING

Employees, trustees, cricket coaches, volunteers, players and parents may be the first to know about concerns about a child or vulnerable adult’s safety and welfare. When individuals feel unable to follow the normal reporting procedures or have already followed the procedure and consider that the issues have not been adequately addressed, they are encouraged to contact a member of the Foundation’s staff who in turn will contact the Safeguarding Officer. This process will enable individuals to share their concerns in good faith and in confidence, to enable the matter to be taken seriously, investigated, and managed appropriately. If the individual is still not satisfied, he or she is encouraged to use external whistleblowing systems such as those provided by the NSPCC or the organisation ‘Public Concern at Work’.
